

FOR IMMEDIATE RELEASE

ComFrame Golf Classic to Benefit Children’s Hospital of Alabama Keeping Promises Campaign

Charity Tournament Scheduled for October 14, 2008 at The Robert Trent Jones Golf Trail at Ross Bridge

BIRMINGHAM, AL – September 19, 2008 – ComFrame Software Corporation today announced that proceeds from the organization’s Children’s Charity Golf Classic will benefit the Keeping Promises Campaign to help fund expansion of Children’s Hospital of Alabama. The tournament will be held at The Robert Trent Jones Golf Trail at Ross Bridge Resort in Hoover, Alabama on October 14, 2008.

As Alabama’s population has grown, facilities at Children’s Hospital of Alabama have become inadequate to provide the level of care needed to meet the demands of an increasing number of patients. Children’s is undertaking a \$450 million expansion project to provide better healthcare service in the future. The Keeping Promises campaign has a goal of raising at least \$100 million from individuals, businesses and foundations to go toward the building of the new hospital facilities.

To support the Keeping Promises campaign, ComFrame is inviting its customers, partners and friends in the Southeast to take part in the Children’s Charity Classic with a goal of raising \$50,000 to benefit the hospital expansion project. "ComFrame has benefited in many ways from Children’s Hospital over the years, from responsive care for our children to the business relationship we’ve enjoyed as a supplier of IT services for Children’s," said Marc Guthrie, Chief Executive Officer for ComFrame. "The Charity Golf Classic is an opportunity for ComFrame to try and give something back to an organization that has given so much to the families of our state."

Planning efforts for the Children’s Charity Classic are underway, led by Debra Hays of ComFrame. The event kicks off at 10:30 a.m. with registration, networking and a luncheon keynote session. The keynote address will feature Children’s Hospital patients and Children’s executive vice president Mike McDevitt. McDevitt’s presentation will focus on how technology is changing the process of healthcare delivery. Golfers will tee-off in a shotgun start at 1:30 p.m. Golf tournament participation is available for 100 golfers at \$1,000 per foursome. The tournament will conclude with a Tuesday evening reception at which proceeds from the event will be presented to Children’s Hospital.

A variety of Charity Classic sponsorship packages are available, from an exclusive Presenting Sponsor option, to Silver (\$1,250), Gold (\$2,000) and Platinum (\$3,000) packages, lunch and reception sponsorships, hole sponsorships and golfer prizes for "longest drive," "closest to the pin," and other prizes. ComFrame is also accepting donations of golf prize items from area businesses. Companies and individuals that would like to make monetary donations to the Keeping Promises campaign can source those through ComFrame as well.

Children’s Charity Classic information can be found at www.comframe.com/charitygolf, with golf foursome registration forms available by calling 205-329-7327 or by sending an email to golf@comframe.com.

About Children's Hospital

The Children's Hospital of Alabama, the flagship of Children's Health System, is the only free-standing hospital in the state dedicated solely to the care and treatment of children and one of the 10 busiest pediatric medical centers in the U.S. One of only about 45 freestanding acute care hospitals of its kind in the nation, Children's Hospital is home to Alabama's only Level I pediatric trauma center. Children's campus includes the largest pediatric burn center in the Southeast, one of the largest pediatric outpatient centers in the country and a leading pediatric hematology/oncology center and bone marrow transplant program. The hospital was recently recognized for the excellence of its nursing care by achieving Magnet designation from the American Nurses Credentialing Center. Children's is the primary site for all pediatric medical education programs and patient care activities through an affiliation with the UAB School of Medicine and the Health Services Foundation. The Children's Hospital of Alabama is a private not-for-profit hospital governed by a volunteer board of trustees and will celebrate its centennial anniversary in 2011. For more information, go to www.chsys.org. For information on the Keeping Promises campaign, visit www.keepingpromises.org.
